

ROAD CONES

DESCRIPTION

Placed on roads or footpaths to temporarily redirect traffic in a safe manner. They are often used to create 'merge lanes' during road construction projects or auto accidents.

PORTACONE COLLAPSIBLE ROAD CONES

DESCRIPTION

- Steady or flashing LED collapsible road cones.
- Each Porta-cone is supplied in a PVC weatherproof Carry Bag for clean storage.

ALL TRADES EXTENDABLE CONE BAR

DESCRIPTION

- Extendable Cone Bar, Black with Reflective Yellow.
- UV Treated ABS and HDPE Material with reinforced end loops.
- Strong and durable design. Loops designed to fit over traffic cones and T-Top bollards to barricade off areas and assist with pedestrian management.
