

WORKMAN AHEAD SIGN

DEN-ADBT1.5FR

- Diamond Grade
- Stand sold separately

**SAFETY**

450MM ORANGE SAFETY CONE

KWN450CONE/R

- One piece design, superior durability & superior flexibility compared to "flow moulded cone" resulting in a more durable cone that will stand up to the challenges of adverse or road conditions

EXTENDABLE CONE BAR

KWN-RCB

- Extendable Cone Bar, Black with Reflective Yellow.
- UV Treated ABS and HDPE Material with reinforced end loops.
- Strong and durable design. Loops designed to fit over traffic cones and T-Top bollards to barricade off areas and assist with pedestrian management.
