

GATIC PIT KEY SET

- Our "Gatic" style pit and manhole lid lifting set is packed in a heavy duty storage bag and is printed for easy identification. The contents include the following....
 - 2 x Long Handled Keys
 - 1 x Short Handled Key (also known as a sealbreaker)
 - 2 x Roll Bars – a handy method employed for effective transport of the lid away from the pit.
 - 1 x Scraper – Used to clear built up debris from the lid surrounds.
 - 1 x Spanner – Used to tighten the bolt heads on the keys, in order to provide a firmer grip on the lid.
 - 1 x Storage bag – Made from tear resistant canvas fabric. The bag is stencilled , has zipper and carry handles. For your convenience, the contents of the kit can be bought separately if required.
